## **RACEHORSE OWNERS' RELIEF GRANT – NORTHERN CAPE**

Dear Members

In light of the announcement made on Thursday, 28 May 2020, that racing at Flamingo Park shall not take place for the month of June, the Directors of the Racing Association, mindful of the impact this has on Owners in the Northern Cape, have decided to extend the grant to Owners in that region for the month of June.

The Racing Operators shall advise on the status of Kimberley in due course, however, in the interim and in the absence of racing, the grant of R1000 per horse will be paid over for the month of June.

The terms and conditions of the grant will remain as previously stated and we will engage with each of the Trainers in the area to ensure the number of horses in each stable remains accurate and payment will be made in the first week of the new month.

Trainers are reminded to pass this credit to each of the participating owners for the June invoice.

The RA remains committed to communication and honest feedback and we once again encourage you to engage with us on our website.

Kindly find the link "Engage with the RA Board" under Quick Links on our website, [www.racingassociation.co.za](http://www.racingassociation.co.za) and mark the email for the Board's attention.

Yours faithfully,

**THE RACING ASSOCIATION**
