NEWSLETTER

June 2024

From the desk of the CEO

Dear Members

Welcome to the June Edition of ROA today.

This time of the year always brings with it, a special kind of excitement, as we once again look to KwaZulu-Natal for the Hollywoodbets Durban July taking place on Saturday 6th of July at Hollywoodbets Greyville. With 12 races carded for the day and 7 being Graded Races, it promises to be an exhilarating days racing. Turn to pages 2-3 for details on the final field for the big race. If you are unable to attend in Durban this year, please remember you can join in the festivities at Turffontein on the day for "July in Jozi". For bookings and more information please turn to page 14.

On behalf of the Board and Members of the ROA, I wish to extend my heartfelt congratulations to Richard Fourie, who, on the 8th of June achieved an amazing milestone by becoming the first jockey to ride more than 334 winners in a single campaign, and thereby surpassing the record previously set by Anthony Delpech in the 1998/1999 season. This is a monumental achievement and a testament to his incredible skill and dedication to the sport. As he has already added a few more wins to that total, we are waiting with great anticipation to see what that final winning number and new seasonal record will be. We wish Richard all the best for the remainder of the season.

Youth Day in South Africa was June 16th and young people in horseracing is an important aspect to ensure the sport's continued growth and development, as well as its continued relevance in modern society. We took the opportunity to chat to one of our younger ROA members who, through his syndication model, is fostering a sense of community and shared passion among young racing enthusiasts. Turn to page 6 to hear more about Dean Smith.

In this edition, we once again profile a Social Member Breakfast at Randjesfontein Training Centre and a Raceday Tour held at Turffontein during the month of June. These events are proving very popular with our Social Members and allows the opportunity to bring friends and family along to enjoy a day out and learn more about the intricacies of horseracing. By focusing on education and community building, we, as the ROA can create a supportive and knowledgeable environment for new and potential racehorse owners, leading to a more vibrant, sustainable and successful sport. These events also create platforms for owners to meet industry professionals, trainers, and other key stakeholders thus creating partnerships and connections that can enhance their experience and success in horseracing. If any members of the ROA would like to join us for a similar experience, please do get in touch with our team and allow us to put something special together for you. We are planning a Raceday Tour at

2024 HOLLYWOODBETS DURBAN JULY FINAL FIELD

Rachel Venniker, denied a first ride in the R5 million Gr1 Hollywoodbets Durban July last year with the last minute withdrawal of her intended mount, gets her chance this year when she partners Without Question for Justin Snaith and owner Nick Jonsson.

The final field was unveiled at a glittering function in Durban on Tuesday 25 June. Twenty of the cream of the country's middle distance horses will line up over 2200m at Hollywoodbets Greyville on Saturday 6 July, the field headed by last year's winner Winchester Mansion and runner-up See It Again. The latter shoulders top weight of 60kg and will again be ridden by Piere Strydom for Michael Roberts.

The race holds special significance for both trainer and jockey. Roberts, a winner of the race aboard Super Quality back in 1997 for David Ferraris, will be attempting to win it as a trainer while Strydom has delayed his intended retirement to ride the Twice Over colt and hopefully end his career on a high note with a fifth win in the big race. See It Again put in an eye-catching performance in the Gr1 Hollywoodbets Gold Challenge in his final preparation and is one of the big fancies in the betting. Roberts was hoping for a draw between 1 and 6 but drew 10.

It has been many years since a KZN-trained horse has won the July, the

last being the Dennis Drier-trained Spanish Galliard ridden by Robbie Sham in 1992. Roberts came close last year with See It Again but joining him this year with an outstanding chance is Summerveld-based colleague Nathan Kotzen who saddles Royal Victory who drew pole position. A winner of both the Gr1 Betway Summer Cup and the Gr1 Champion's Challenge at Turffontein, Kotzen has elected not to give his charge a warm-up race and it will be interesting to see what the plans will be for Royal Victory in the July gallops which take place on Thursday, June 27 where all the July runners will be on show in the compulsory lead-up to the big one.

English-based jockey Daniel Muscutt, son of KZN-based trainer Peter Muscutt, will be attempting to add the July to his CV after winning the Gr1 WSB Cape Town Met earlier this year. Muscutt will again be aboard Met winner Double Superlative (16) for Justin Snaith and Nick Jonsson.

Snaith has three runners in the race that include Without Question (6), Double Superlative and Future Swing (4), the mount of record-breaking jockey Richard Fourie. Snaith also trains Hluhluwe, the first emergency acceptor should there be a scratching before Friday week.

Ruling ante-post favourite before the announcement of the draws was the

Gr1 Daily News 2000 winner Green With Envy (5) who will be looking to give Dean Kannemeyer his fourth July winner.

Green With Envy will again be up against the Summerveld-based Gareth van Zyl-trained Flagman (17) who shot to prominence when running Green With Envy to a shorthed in the Gr1 Daily News 2000. Flagman is now 0.5kg better off in the weights that equates to around half-a-length. The draw could be a telling factor between these two three-year-old rivals.

Brett Crawford, saddled last year's winner Winchester Mansion (9) who will again be partnered by Kabelo Matsunyane and recent Hollywoodbets Cup Trial and WSB 1900 winner Oriental Charm (11) who will be ridden by JP van der Merwe who, like Matsunyane last year, will be hunting his first July victory.

Crawford appears to have planned the front-running Oriental Charm's path perfectly as he comes into the race with bottom weight for his age group. Alongside him in the weights is Gr1 SA Derby and Gr1 SA Classic winner Purple Pitcher (8) trained by Robyn Klaasen. Purple Pitcher is owned by Stinkie Poee who was part owner of Second Base who finished fifth in last year's July and will be ridden by Philisande Mxoli who will also be having his first ride in the race.

Sean Tarry has two runners in Cousin

Casey (15) and Future Pearl (18) and also second emergency acceptor Hotarubi.

Mike de Kock, winner two years back with the filly Sparkling Water, has two runners in Aragosta (7) and Shoemaker (6), both at long odds in the betting market.

Tony Peter also saddles two runners in former Gr1 SA Derby winner Son Of Raj (12) and Meridius (13), both at fairly lengthy odds in the betting market.

Andre Nel sends out Master Redoute (14) and Johan Janse van Vuuren's runner Barbaresco drew well at 2.

Highveld Winter Social Session and Breakfast

Social Members came together on a chilly winter morning for a fun social breakfast and stable visit at the Randjesfontein Training Centre on Saturday, the 15th of June. The group had an opportunity to talk about fractional ownership, syndication and watched the horses work at the Randjesfontein training track.

We would like to thank Paul Matchett and his team for allowing us to visit his yard and the opportunity to introduce this lovely group of new racing enthusiasts to the sport.

The TV Crew from Racing Today joined us as well and we will be sure to communicate, in due course, where and when that episode is scheduled to be aired.

We encourage our Social Members to attend these interactive events as they are always a unique experience, great fun and a wonderful opportunity to meet new people.

Highveld Social Member Behind-the-Scenes Raceday Tour

The Racehorse Owners Association hosted an enjoyable Social Member Behind-the-Scenes Raceday Tour on Saturday, the 22nd of June. Another group of Social Members were treated to a light lunch in the ROA Private Suite, which provided a full view of the racecourse. They were introduced to what happens in the parade ring and winners' enclosures, the back saddling area as well as a trip down to the starting stalls to watch the horses jump at the start of a race. The Social Members thoroughly enjoyed the day, learning more about racehorse ownership and the raceday experience.

We look forward to many more exciting events with our Social Members and if any other members would like the opportunity to join us for a similar experience, please email catherine@racehorseowners.co.za in order for us to put something special together for you and your guests on raceday.

Youth Month

In celebration of Youth Month, we are thrilled to highlight Dean Smith, a rising star in the horseracing community in the Eastern Cape. With his youthful energy and forward-thinking approach, Dean represents part of the future of this storied sport.

Dean is 23 years old and is currently an assistant trainer at Gavin Smith Racing Stables. He was born into horseracing, his grandfather Andy was a trainer and his father, is the multiple time Eastern Cape Champion Trainer, Gavin Smith.

Dean acquired his first horse in 2021 through a close friend, Nick Botes. The horse ran second first time out over the 1400m trip, he came flying through late losing by a nose. They decided to step him up to the 1600m which was a touch too far. They then received an offer from Mauritius which was accepted and off the horse went. Since then, he has become a proud owner of shares in four horses under the Super Smith Syndicate. He believes that syndication is crucial for engaging the younger generation, adding fresh excitement into the sport and making ownership accessible to more people.

Dean has a few hobbies outside of racing. Weekends often find him playing padel as his love for this surpassed that of playing golf. He also enjoys wakeboarding and

leisurely outings on the river in St Francis, where he cherishes time spent with friends and family.

Dean believes that with the growing number of syndicates, a huge opportunity has been created for the younger generation to become involved in ownership and it seems to be a step in the right direction to provide the excitement of owning a horse. Dean has an array of suggestions to encourage this, one being that the industry could buy a share in a new syndicate each month and then have a giveaway to a targeted age group, this could be of interest to them. He also suggests that advertising flyers at the universities could also attract younger crowds to racedays.

Dean's favorite racing memory to date is the last win from 2023 Eastern Cape Champion colt, QUESTOR, in the Champion Juvenile Cup Listed race on 28 July 2023. This is a Super Smith Syndicate horse with over 20 members and Dean recalls that there was something special about this win, along

with the goosebumps he felt as the horse stormed down the inside rail from being second last in the race. He continued to explain: "Smanga dropped his stick at the 150m mark which wasn't a problem at all! It was a super ride. The 3 owners on course Christo, Louw and Johan could be seen on screen running through the parade ring hugging each other, it just gives you a warm feeling inside! That is what racing is all about, the excitement and joy of winning. The atmosphere was buzzing, and everyone cheered him home. It was a super moment and a memory I won't forget". Dean enjoys attending the L'Ormarins Kings Plate event as he enjoys the blue and white only theme, he commends Cape Racing on what they have done with the event and hopes to experience the feeling of owning or training a horse on that day.

We wish Dean and the Super Smith Syndicate many more successes and wish him the best in the future as a racehorse owner!

ROA OWNER OF THE MONTH

JUNE 2024 Cazzleigh Mooloo

After winning the first race at Hollywoodbets Greyville on 19 June 2024 with WAY TO BURN on the polytrack, The Racehorse Owners Association was thrilled to catch up with, and learn more about the owners of DJ Jazzy D Racing (Pty) Ltd whose nominee and son of DJ Jazzy D, Cazzleigh Mooloo, also known as DJ Cazzy, is our ROA Owner of the Month.

Cazzleigh's journey into horseracing began when he was just eight years old. His father purchased a racehorse named FIRST IMPRESSION (MODEL MAN (SAF) x FINAL PRINT) trained by Garth Puller who won three out of his first five starts and seemed to be a smart colt. Despite this early success, Jazzy D decided to sell the horse and took a break from racehorse ownership, although he remained an avid follower of the sport. In August 2021, a spontaneous visit to the BSA two-year-old sale reignited their passion for racing and it was there that DJ Jazzy D Racing (Pty) Ltd was born, marking the beginning of an exciting chapter for the family. Cazzleigh and his father were thrilled to become the first in their family to own racehorses, especially after racing has been loved by the family for generations and they had always enjoyed attending at Turffontein, a dream come true for both of them, and Cazzleigh added that they are so blessed to be able to experience this now.

They currently own 12 horses, 8 of these being in training and 4 babies who are still on the farm. Most of their string is raced in partnerships, and they are grateful to have amazing partners who are like family to them. The majority of their horses are trained by Garth Puller and some by Weiho Marwing, these are stabled in KwaZulu Natal for the current season. Highveld trainers include Sean Tarry and Alec Laird, and in Gqeberha they have horses trained by Kelly Mitchley.

When asked what they enjoy most about being at the racecourse, Cazzleigh mentioned that it brings the family together, as they may not see one another for months, a trip to the racecourse certainly and almost always brings everyone together again. They have also enjoyed the love received from the punters who shout their horses' home. Cazzleigh says the feeling of having a winner is indescribable and addictive and a feeling nobody can easily forget.

The family's most memorable victory is when MY LADY SOUL (MASTER OF MY FATE (SAF) x WINTER WOOD (SAF)) broke her maiden, this was the first time the entire family was on course and the feeling was incredible. As with many aspiring owners, Cazzleigh says they wish to own a champion racehorse and win graded races. They always aspire to achieve at a greater level. He added that they do not necessarily want a massive string of horses and try to keep quality over quantity. Cazzleigh and his father

believe in "staying in their own lane", learning from their mistakes, and enjoying every step of the journey.

Cazzleigh and Jazzy D specialize in entertainment and music production, and they create large scale nightlife events for audiences globally. This has provided them with great success as they have filled venues within South Africa and even as far as Australia and New Zealand.

Being a member of the ROA for just over a year, Cazzleigh enjoys the bonus incentives, adding that they are worth it, and appreciates that there is always support available from the office. They also enjoy perks like the preferential private suite hire which enhances their racing experience, making racedays even more enjoyable and exclusive.

We wish DJ Jazzy D and Cazzleigh all the best for the remainder of the season, we thank them for their continuous support, and we look forward to seeing what the future holds for DJ Jazzy D Racing.

Life Member Profile

LIFE MEMBER Peter van Schoor

The Racehorse Owners Association was thrilled to catch up with Peter van Schoor, the owner and breeder of SABRE STRIKE, winner of the first leg of the TAB Highveld 3-Year-Old Winter Series, the Secretariat Stakes (L) on 12 May 2024.

Peter was born in Standerton, Mpumalanga, and moved to Alberton in 1966 where he currently resides. Growing up, Peter's father would ask him to pick a straight-line place accumulator in the newspaper every Saturday and this is how Peter's love for racing started.

Peter started his racehorse ownership journey by racing in partnerships with a few horses in 1998. He started with SUGAR MAGNOLIA (DOLPOUR (IRE) x BOLD WEST (SAF)) and another filly named FASHION EDITION (RAMBO DANCER (CAN) x SHOPPING AROUND (SAF)), whom he then sent off to Klarwervlei Stud after her racing career and has mainly raced her offspring. These included FANZENE, a filly out of NATIONAL EMBLEM, JOAN RANGER, a HORSE CHESTNUT filly, and MISS ELEGANCE who is a filly out of MASTER OF MY FATE and has now taken over stud duties from her dam. He has also bred horses who seem to have promising careers ahead of them, SABRE STRIKE being the most recent, and CAPTAIN OF STEALTH and KAILENE who have had a few wins and places in their careers. Peter has also raced/owned KAILANI, dam of the 2024 Highveld Awards Champion Middle Distance horse, ROYAL VICTORY. Peter's favorite

racing memories include winning the Gr2 Camellia Stakes for two consecutive years (2016 and 2017) with JOAN RANGER and winning the Gr3 Magnolia Handicap with FANZENE in 2013, at 100/1 after only deciding months prior to run her in this race. Penny Kimberly trained Peter's horses from 1998-2011, Luchelle Kruger then trained his horses from 2011-2013, and he has also had short stints with Wendy Whitehead and Geoff Woodruff. Lucky Houdalakis currently conditions Peter's horses.

Peter is an entrepreneur and started Full Spectrum Mobility in 1991 which he still runs to date, the company manufactures prefabricated buildings. Peter married his wife Heletje in 1981 and they have two children, a daughter named Yolande and a son named Peter. The entire family loves racing and breeding and they all make a trip to Klarwervlei Stud every year when the foals are born. Outside of work, racing and breeding, Peter loves spending time on his game farm in Thambazimbi and always keeps busy by creating different

things out of steel or wood, on his home built CNC machine. He is also an avid rugby and cricket fan, supporting the Springboks and Proteas.

Peter has always felt that it is important to be part of the ROA, he appreciates the support relating to matters as an owner. He enjoys the friendly and efficient service from the ROA staff and expressed how the added bonuses have come in handy.

We thank Peter for his support over 25 years and wish him all the best in his racing and breeding endeavors.
